PRINTER'S NO. 3941

THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE RESOLUTION

No. 637 Session of 2026

INTRODUCED BY CIRESI, ORTITAY, VENKAT, VEROBISH, POWELL, SANCHEZ, PARKER, HOWARD, SHUSTERMAN AND D. WILLIAMS, SEPTEMBER 28, 2026

REFERRED TO COMMITTEE ON COMMUNICATIONS AND TECHNOLOGY, SEPTEMBER 28, 2026

A RESOLUTION

Urging the Congress of the United States to pass Federal legislation that would regulate frontier artificial intelligence models.

WHEREAS, Artificial intelligence (AI) technologies have transformative potential for our economy and many industries, including education, energy, entertainment, finance, health care, information technology, legal services, manufacturing, retail, telecommunications and transportation; and

WHEREAS, Frontier AI models are at the forefront of innovation in AI and the most advanced AI systems available, requiring high-intensity training using large datasets and being designed for generality of output; and

WHEREAS, Researchers have raised concerns about several areas of potential harm to society that frontier AI models could cause, including the propagation of unreliable information, labor market disruption, cybersecurity risks and malicious use to create weapons of mass destruction; and

WHEREAS, There have been multiple recent incidents of AI models being misaligned with the intentions and goals of the AI developers, to the extent that they violate the security of other entities and disobey protocols set in place for them to follow; and

WHEREAS, Notable companies that are leading in the development of frontier AI models have supported risk-prevention measures, including endorsements of laws enacted by other states; and

WHEREAS, World leaders from many countries allied with the United States have issued statements urging stronger regulation of frontier AI model development; and

WHEREAS, President Donald J. Trump signed Executive Order 14409 on June 2, 2026, which acknowledged new national security considerations stemming from advanced AI capabilities; and

WHEREAS, Federal legislation, formally titled as the Frontier Risk Oversight, National Transparency, Independent Evaluation, and Reporting Act, has been introduced, which would regulate frontier AI models; and

WHEREAS, Several states, including Pennsylvania, have enacted or introduced bipartisan legislation to require safety measures for frontier AI models and the AI models' continued development; and

WHEREAS, States must maintain their right to create legislation and regulations on artificial intelligence and its use so that the states can protect the interests of local residents; and

WHEREAS, The Federal Government should collaborate with other countries and seek to create or contribute to international standards regarding the safe development and deployment of

frontier AI models; and

WHEREAS, Establishing reasonable safety standards for frontier AI models through a means of cooperative federalism and international engagement is necessary for a future where AI is a benefit to the public; therefore be it

RESOLVED, That the House of Representatives of the Commonwealth of Pennsylvania urge the Congress of the United States to pass Federal legislation that would regulate frontier artificial intelligence models; and be it further

RESOLVED, That the House of Representatives of the Commonwealth of Pennsylvania:

(1) Affirm the sovereign right and constitutional responsibility of the Pennsylvania General Assembly to legislate in the interest of Pennsylvania residents, including in matters related to the use and effects of artificial intelligence technology.

(2) Urge United States President Donald J. Trump to promote reasonable safety standards for frontier AI models, both nationally and internationally.

(3) Call upon Pennsylvania's Congressional delegation to advocate for a regulatory framework for frontier AI models that respects state authority, promotes innovation and safeguards public welfare;

and be it further

RESOLVED, That the House of Representatives of the Commonwealth of Pennsylvania direct the Chief Clerk of the House of Representatives to transmit a copy of this resolution to the Office of the White House, the President of the United States Senate, the Speaker of the United States House of Representatives and each member of Congress from Pennsylvania.
